

HSC SDD Major Project - Part B Meeting Notes

Students are able to prefill in notes for the discussion section prior to the actual meeting. These notes are to be written in **RED**.

When conducting the meeting in Week 5, notes are to be written in about what is said in the meeting. These notes can be adjusted and fixed up afterwards.

Meetings are to be scheduled on the Google Sheet given on Classroom.

DATE: 2024-05-03 PERIOD: 3	PRESENT: Student Name, Mr Dunne (Teacher) LOCATION: C5
AGENDA ITEM:	DISCUSSION:
Meeting Open: 11:12am	
Documentation:	<ul style="list-style-type: none">- Clarify what the inputs section in Part B refers to<ul style="list-style-type: none">- What user inputs into website- Check if the installation file is meant for Dunne or the average person<ul style="list-style-type: none">- For Dunne- Clarify module vs program vs system testing for my website
Logbook:	<ul style="list-style-type: none">- No issues
Assets:	<ul style="list-style-type: none">- Issues?<ul style="list-style-type: none">- No
Coding:	<ul style="list-style-type: none">- On track. To do:<ul style="list-style-type: none">- Finish commenting/liking- Finish profanity filter<ul style="list-style-type: none">- Finding tensorflow quite hard to use- Messaging system- Styling<ul style="list-style-type: none">- Very time consuming- A few minor features/persistent bugs
Possible Adjustments from Proposal:	<ul style="list-style-type: none">- No app timer<ul style="list-style-type: none">- Remove- Messaging? Don't think I need it but may as well try to incorporate it because it's impressive<ul style="list-style-type: none">- Not needed but add if time permits
Other Items/Concerns:	<ul style="list-style-type: none">- Original plan was to share the link so all my friends could sign up and use the social media but because of the size of my project I can no longer host it without paying. Need to rethink how I will do testing because of this.<ul style="list-style-type: none">- Get people to download and test on their own computers. Link up online database and ask them to do it at home

Key Actions to be taken post meeting

- ☐ > Going good. Keep doing what you're doing
